

Niantic Sportsmen's Club
Blackpowder Muzzleloader Field Shoot
December 7, 2014 • East Lyme, Connecticut

Here are a few of the 21 participants afield on this chilly, but snowless, Sunday morning... Preserving and practicing the traditions of centuries past!

Club members and their guests are welcome to observe, join in, and learn about the skills of our great-great-grandparents.

The club will sponsor more of these gatherings over the coming winter and spring seasons.
